New Guides For Candidates Now Available Here

Sec'ty. Brown Tells Of Schools Showing Election Interest

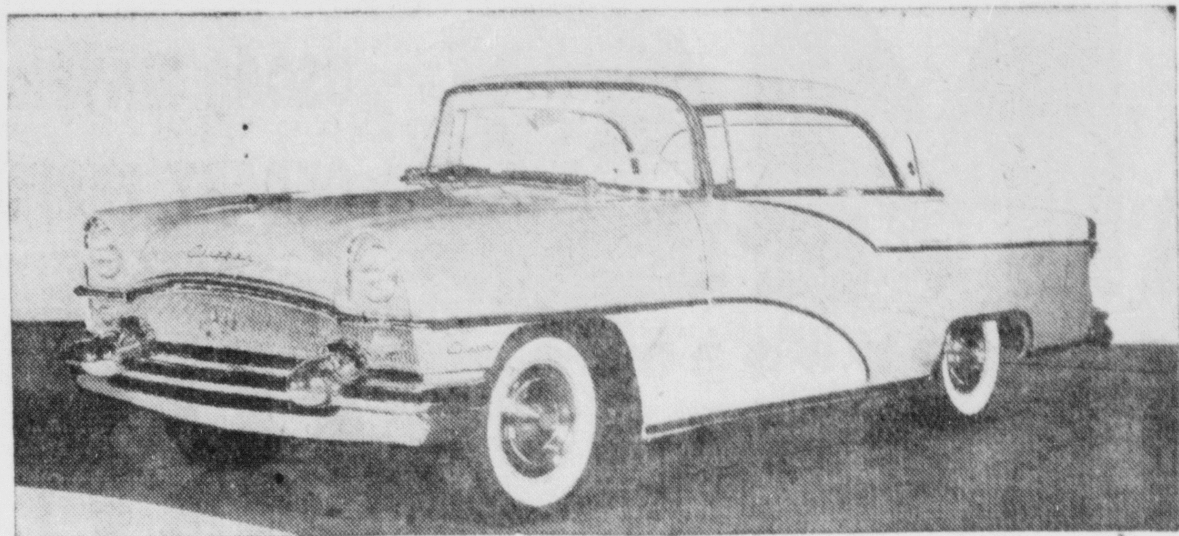

The Fayette County Board of Elections reports that it has on hand a supply of the "1955 Candidate Guides", which are available to any persons interested in seeking copies.

This folder is one of three guides originated by Secretary of State Ted W. Brown as a part of his educational program on matters pertaining to elections. The others are "The Voter's Guide" and "The Precinct Official's Guide."

The "1955 Candidate's Guide" tells prospective candidates for municipal and township offices and for boards of education how many names are required on petitions; filing dates; requirements for filing of expense accounts; how a candidate may withdraw from the ticket; laws pertaining to campaign literature; sample ballots, etc., conditions under which a primary election may be eliminated; group petitions for boards of education posts. It contains a complete calendar of election events for 1955.

Secretary Brown points out that use of these guides often prevents candidates from committing errors in the securing of signatures on petitions and in their filing and that they often prevent misunderstandings and embarrassments common in all elections.

THE HIGH schools in Fayette

THE CONSTELLATION (ABOVE), POWERFUL star of the Studebaker-Packard Corp. line of new 1955 model Clipper cars, is to be shown for the first time at the Meriweather Motor Co. showroom on Clinton Avenue the week of Jan. 17. In addition to the new styling and two-tone color, the Clipper Constellation features "torsion level" ride with a new suspension system which eliminates customary coil and leaf springs and uses instead long torsion bars interconnecting the front and rear wheels. It is powered by a new 245-horsepower V-8 engine. Other Packard cars in the luxury field have a new V-8 engine with 260 horsepower.

County also are reported to have received a supply of these guides as one of a series of educational election pamphlets, which he is sending to all junior, senior and parochial schools of the state.

Ohio schools, especially high schools, have shown an increasing interest in obtaining additional information regarding Ohio's election system, Brown says. Real progress was made in 1954, he stated, in getting school officials interested in hold "mock" elections and in having students study Ohio election regulations pertaining to the governmental structure of the state and nation.

BROWN GAINED new enthusiasm for using the facilities of his office for "stepping" up that portion of the overall election educational program of his office as it pertains to schools, when he visited the Washington C. H. High School last fall to witness the methodical

method pursued by the school here in handling its "mock" election shortly before the regular November election date. "The students of today are soon to be the voters of tomorrow and the members of our boards of elections—the administrators of one of our most precious heritages," Secretary Brown said, in explaining the extra efforts which his office is making in this phase of election education.

Barberton Girl Wins Speech Prize

COLUMBUS (P)—Cynthia Bell, 17-year-old Barberton High School senior, won the state Prince of Peace oratorical contest today at the Ohio Pastors' Convention. Another finalist, Rosalie Ridgeway of New Vienna, won a \$25 cash prize.

Strike Closes Ansonia Schools

ANSONIA (P)—The 740 elementary and high school pupils here vacationed today as a strike of 17 school bus drivers, cooks and janitors closed the school.

Willis Pond, school superintendent, said the 17 sought a bonus similar to one given to the school teaching staff. The strike started yesterday.

NOTICE OF APPOINTMENT
Estate of Minnie E. Walters, Deceased. Notice is hereby given that Ruth Bennett has been duly appointed executrix of the estate of Minnie E. Walters, deceased, late of Fayette County, Ohio. Creditors are required to file their claims with said executrix within four months or forever be barred.

Girton's Profits For Polio Fund

Mark Girton, proprietor of the Girton Electric Shop in Washington C. H., is offering his profits on sales next Saturday for the polio fund.

Girton announced today that on Saturday, Jan. 29, the difference between his invoice cost and the selling price of any new Frigidaire appliance would be given to the March of Dimes in the name of the customer making the purchase.

The offer includes refrigerators, washers, dryers, ranges, home freezers, water heaters, dehumidifiers and dishwashers.

Engine Derailed

LANHAM, Md. (P)—A Chicago-to-Washington passenger train slammed into a stalled truck at a crossing here last night, then

rolled half a mile before the locomotive derailed. No injuries were reported. Pennsylvania Railroad officials said the locomotive was badly damaged.

Hero Prefers To Be Sergeant

NEW YORK (P)—Jake William Lindsey, whose heroism in World War II won him a Medal of Honor, is a master sergeant again after wearing a second lieutenant's bars for more than two years.

The 33-year-old soldier gave up his commission when he returned from Germany last week and was discharged. He was sworn back into the service as a master sergeant yesterday and said:

"I'm just a sergeant at heart. I think I can do a better job in the Army as a sergeant. I talk like a sergeant. If you are an officer, that kind of talk don't go with recruits in the new Army."

2 Ailing Ohioans Unable To Ballot

WASHINGTON (P)—All but two of Ohio's 23-member House delegation yesterday voted in favor of the resolution authorizing use of American armed forces for defense of the Formosa area.

Not listed as voting were Reps. Cliff Clevenger (R-Bryan) and J. H. McGregory (R-West Lafayette). Both have been hospitalized.

NOTICE OF PUBLIC SALE

Automobiles For Sale

1953 BUICK V-8, Riviera hard top Coupe. Specially painted in cream and green tone and equipped with power steering, power brakes, power windows, power seat, leather trim inside, radio, heater, white tires, wheel disc etc. Undercoated when new. Perfect all over. 302

1953 OLDSMOBILE 98 Holiday Coupe (hard top). This car is the cream of the crop. Like new, condition shows the care the one owner has given. All usual accessories plus power steering, power brakes, power windows, power seat, automatic eye, white tires. Turquoise and white exterior paint is perfectly matched by the blue Nylon with white leather trim interior. Blue floor carpeting is like new. No finer car anywhere as you'll agree when you see it. 302

1953 LINCOLN Capri hard top. A real fine automobile, owned and driven by a lady, who has kept it spotless clean and in the finest condition. This is Lincoln's finest series and model and is being offered at much less than half of its original price. Power steering, power brakes, power windows, four-way power seats, power radio antenna are among the fine features on this Lincoln. Come in and trade your Ford on this one. It will please you. 302

1953 OLDSMOBILE Super 88 4 door, Sedan. A really good automobile that is good looking, good performing, good riding, with good economy. Has radio, heater, white tires, wheel disc, Nylon upholstery, oil filter, turn signals, etc. One owner gave this car the right kind of care and service as you can tell when you drive it. A good buy. 302

1952 CHEVROLET Club Coupe. Nice condition, radio, heater, good tires 302

1952 OLDSMOBILE Holiday Coupe (hard top). Fine condition, well equipped, one owner, can't be beat for value 302

1951 CHRYSLER Windsor Deluxe 4 dr., Sedan. One local owner kept this car in top condition. A swell family car. Well equipped 302

1950 CHRYSLER New Yorker 4 door Sedan. A nice car that has comfort and safety built in. 302

Meet makes and models from 1941 through 1949 are on hand at all prices from \$125.00 to \$675.00, stop and shop at our lot, one stop service 302

DAILY CRYPTOQUOTE—Here's how to work it:

AXYDLBAAXR
is LONGFELLOW
One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

A Cryptogram Quotation

O V X N E P M U F B O D V Z N A O S M Z
U M I T B T I : N V A R M T B R N E B A A N E -
W I B O A B A - G B O V A .

Yesterday's Cryptoquote: SHE CAN BOTH FALSE AND FRIENDLY BE, BEWARE! — LONGFELLOW.

Election Held By Union FB

Social Security Law Is Explained

Even with the very inclement weather Wednesday evening, Farm Bureau member families of Union Township turned out for their annual meeting and turkey supper in goodly number. More than 125 people sat down to the long tables with red and white decorations in the Farm Bureau building.

The meeting was presided over by the Chairman Percie Kennell who was re-elected to head the Farm Bureau in the township for 1955.

Frank Boso, assistant manager Farm Bureau Co-Operative Association, in giving the membership report, showed that Union Township had 141 member families which was one over the goal of 140. He also reported that the county had now passed its 1954 membership with a total of 604 members. The goal for the current year is 636.

Membership as reported for all the townships was: Concord 53, Green 31, Jasper 52, Jefferson 77, Madison 34, Marion 37, Paint, 69, Perry 42, Union 141 and Wayne 57. Officers elected for the year were Kennell, chairman, Joe McFadden, vice chairman and Robert Browning, secretary.

REV. W. S. ALEXANDER pronounced the invocation preceding the supper. Women of the township had roasted ten turkeys so that everyone had a heaped plate.

In opening the business part of the meeting the chairman called on Secy. Browning for the reading of the minutes of the previous year.

Mrs. Gerald Stephenson, program chairman for the evening, presented the program: piano duets by Lynn and Bryan Frock; three members quartette from Clarksburg High School; baton twirling by Nancy Stephenson; reading, "Three Little Pigs Go To Market," by Mary Waters; three vocal solos with guitar accompaniment by Karen Stephenson.

Following the program presented by Mrs. Stephenson, County Agent W. W. Montgomery outlined the 4-H Club program for the county during the coming year and at the close introduced the speaker, Leonard Garrard, district representative of the Social Security office in Columbus.

In addition to the instructive talk on Social Security for farmers by Garrard, a motion picture on the same subject was shown.

The following meetings were announced: Jefferson Township Farm Bureau annual meeting on Jan. 27, Green Township on Feb. 5 and Perry Township on Feb. 9.

Also announced was the annual meeting of the Producers Co-op Association to be held on Friday, Feb. 11, at the American Legion Hall and the annual meeting of the Farm Bureau Co-Operative Association on Friday, March 4, at the Washington C. H. High School auditorium.

Miss Bessie Ferris Funeral Services

Funeral services for Miss Bessie Ferris were held at the Gerstner Funeral Home Wednesday at 2:30 P. M., and were conducted by Rev. Henry Leeth.

Rev. Leeth read from the Bible, gave a prayer, delivered the sermon, read a memoir and the hymn, "Crossing The Bar."

Mrs. Lyda Rumer and Mrs. Kenneth Sibole sang "The Old Rugged Cross," "Good Night and Good Morning," and "Some Golden Day-break."

Interment was made in the Washington C. H. Cemetery.

The pallbearers were George and Lawrence Ferris, Raymond Sword and Billie Dawes.

County School

(Continued from Page One)
The latest equipment for the type of instruction to be carried on in the room. The office practice and shorthand room should provide space for the proper location of business machines such as used in various mercantile establishments. This arrangement will provide three rooms for the business education program.

Art Room — The art room should provide a space of 800 to 900 square feet with a capacity of around 30 pupils. This room must be provided with a supply room, a sink with water supply and abundant storage space. The equipment placed in the room should enable the school to offer a program of painting, sketching, art metal, woodcraft, ceramic, etc. If finances are limited, this area could be omitted and perhaps added later.

Home Economics — In order to properly provide for the home economics instruction a suite of three rooms is recommended. There should be a foods laboratory capable of handling around 30 pupils. This would mean floor space of from 1000 to 1,200 square feet. Built in equipment should provide for unit kitchens. These should be built around the wall in order to leave a portion of the room available for tables and chairs. Sufficient number of tables and chairs should be provided to seat 30 pupils. There should be a clothing laboratory properly equipped to take care of 30 pupils. There should be homemaking laboratories capable of taking care of around 24 pupils. In this unit there can be a small apartment-type kitchen, a small powder room with toilet and lavatory, a living room properly equipped with a dining area at one end and perhaps a small bedroom added to the suite. In case of limited finances the home making area could be omitted.

Industrial Arts — An area of at least 1800 to 2000 square feet should be provided. The area should provide for a mechanical drawing room, and a good general shop. Laboratory facilities, storage space, a finishing room and general supply room are needed.

Music — A large room is necessary for instrumental and vocal music instruction. Three or four practice rooms, a storage room and an instructor's office should be included.

Study Hall — Should seat from 85 to 100 pupils and should be adjacent to the library. In some cases the lunch room can be used for study hall purposes.

Library Room — A library room adjacent to the study hall should have seating space for 50 to 80 pupils. A work room equipped with running water should be a part of the library unit.

Lunch Room and Kitchen — The kitchen unit should provide food storage, a walk-in refrigerator, and a wash room equipped with a toilet for the kitchen help. The seating capacity of the lunch room will be determined by the plan of operation of the school. The school should operate on a closed noon hour and lunch room should accommodate either 1-3 r 1-2 of the student body depending upon the plan selected.

Administrative Unit — This unit should provide an office for the principal, a reception room with space for secretaries, a storage room, a conference room, a clinic with restroom adjoining and wash-room and toilet facilities.

Vocational Agriculture — A classroom approximately 24 x 30 ft.,

Services Are Held For Chester Cook

Funeral services for Chester Cook were held Wednesday at 2 P. M. in the Alvin G. Little Funeral Home in Jeffersonville.

Rev. Norman Newman of the Jeffersonville Methodist Church offered prayer, read from the Scriptures delivered the sermon and read a memoir prepared by the family of Mr. Cook.

Vernon Mason and Marvin DeMent sang two hymns, "Good Night Here and Good Morning Up There" and "Whispering Hope." They were accompanied by Mrs. Wayne Hill at the piano.

Pallbearers, who cared for the flowers, were Raymond Bush, Harold Stewart, Eldon Long, Delbert Kinnison, Merle Kinnison and Heston Campbell.

Burial was in the Fairview Cemetery at Jeffersonville.

a farm shop room 24 ft. x 52 ft. and a small laboratory room for testing should make up this area.

Gymnasium — The gymnasium should be not less than 90 ft. x 100 ft. This would permit ample seating for spectators and also provide a floor sufficiently large to divide into two gyms during school hours, one for boys and one for girls. A net with canvas about six feet up from the bottom can be used to separate the areas.

No doubt it will be necessary to plan this area to serve as a gymnasium as well as an auditorium. This can be done by providing a stage and storage rooms at one end.

Auditorium — If finances permit, the auditorium should be separate from the gymnasium and should seat from 500 to 800 people.

Dramatics Room or Little Theater — Many schools are planned with a room for speech work, staff meetings and meetings of community groups. The room should have a small stage, storage rooms and seat from 60 to 100 persons. It could also be used for visual education.

Meter Robbers Are Sentenced

Four Will Go To The Industrial School

Four teen-age boys were sentenced Wednesday to the Boys Industrial School at Lancaster for breaking open and stealing money from parking meters here.

They were taken before Judge John P. Case in juvenile court, where they were questioned at length and then ordered committed to the institution near Lancaster.

A fifth member of the juvenile gang that had been robbing parking meters here in recent weeks was sentenced to the Boys Industrial School and placed on two years probation. He was 14 years old.

Those sentenced, and who will be taken to the institution at once, were Paul Leach, 17; Richard Downard, 16; Charles Perry, 17 and Sherman Woodrow, 17.

The boys had admitted a total of 33 parking meter robberies here. The damage done to the meters probably exceeded the amount of money stolen.

Junkie Alltop, 18, remains to be disposed of in municipal court next Monday.

In passing sentence Judge Case told the boys what the reward is for being good citizens and what the disgrace is when a boy takes one step after another toward a criminal life.

The six boys were rounded up by the police early Sunday morning after they had broken open and robbed 15 parking meters.

FIRE DESTROYS CHURCH
MIDLAND CITY — The Methodist Church here was destroyed by fire with loss \$30,000 to \$40,000.

At the turn of the century only four per cent of the nation's 18-21-year-olds attended college.

Junior Play Friday At Madison Mills

A three-act comedy, complete with a live story in the background, is to be presented by the Junior Class of Madison Mills High School Friday night.

The curtain is scheduled to rise on "Miss Mischief," the title of the play, at 8 o'clock.

The setting of the action is a summer camp for girls and it is there that all the hilarious situations that can develop at a girls camp take place.

The leading role is taken by Gail

Groff who plays the part of "Miss Mischief."

The love interest is provided by Kenneth Mercer and Faith Thompson.

Other members of the cast are Patsy Miller, Kenneth Slager, Nancy Ivers, Kay Cohn, Cecil Miller, Bobby Caudill and Lowell Hidy.

Charles Lutz, the music teacher, is the director of the play.

Rehearsals for the presentation have been going on most of this month and students not in the cast have been carrying out the all-important tasks behind the scenes—handling the stage settings, the scenery, the tickets and such.

Proceeds from the play are to go into the fund the class is building

up to finance the customary trip, usually to the nation's capital and New York, when they come to the end of their high school days as graduating seniors.

FAVORS SALE

SABINA — The Chamber of Commerce has gone on record favoring sale of the power plant here to The Dayton Power and Light Co.
